ART OF HOSTING UK

Autumn Gathering:LEEDS

Connecting - Sharing - Inquiring

WEST RIDING HOUSE (17TH FLOOR)
67 Albion Street, Leeds, LS1 5AA

We would lie to invite you to this year's second UK Art of Hosting gathering....a space to simply connect with other practitioners, inquire together, practice our practice and harvest our learning.

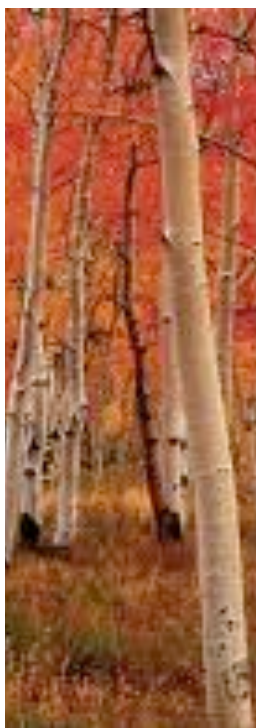

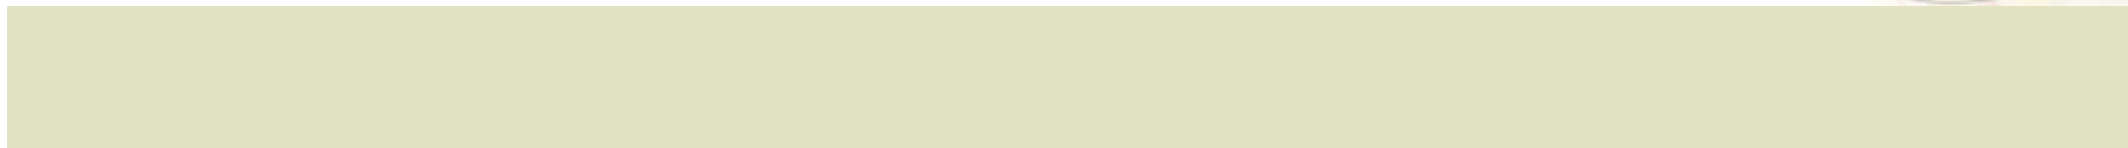

Last spring, 18 of us met at Hackney City Farm in London. We were curious about what people were sensing and experiencing in the UK, where we were moving as a society and what could hosting have to offer. With events this summer this feels like an even more auspicious time to come together, post our questions again and listen in together.

What time is it in the UK? What does hosting conversations have to offer the current context? Where are we in our practice? Is there something bigger to be explored? What is inspiring us? Where does this want to go?

Where are we now?

What calls are we now hearing given this incredible time in our society?

Welcome to Leeds - West Riding House is located in Leeds city centre and is a 2 min walk from the train station. Car parking is close by and we will send you full directions when you register.

The room is on the 17th floor. and the views of the city are AMAZING

A kitchen is available so bring food to share. The venue is also close to shops, cafés and restaurants where you can buy food as well.

We simply ask for a donation of £10.00 a head to cover costs. See you there!

I believe we can change the world if we start listening to one another again.
